

# Retraction of 'Evaluation of Trace Heavy Metal contents and Safety of consuming Ayurvedic Herbal Medicines available in UAE Pharmaceutical markets'

Article titled 'Evaluation of Trace Heavy Metal contents and Safety of consuming Ayurvedic Herbal Medicines available in UAE Pharmaceutical markets' published in Journal of Applied Pharmaceutical Science, volume: 5, Supplement: 1, May, 2015, has been retracted. There was some conflict over the results of this article and the authors decided to retract it.

Thus, we retract this article from the literature according to the guidelines of Committee on Publication Ethics (Wager *et al.*, 2009).
